PLAYING FORMAT

All legs 501 straight start, finish on a double. Match started by the player who throws closest to the center of the BULL. Decisive leg is started by the player who started the match. All events are run on a knockout basis (Bracket system adopted). Men singles: Best of 7 legs, semifinals best of 9, final best of 11. Ladies singles: Best of 7 legs, final best of 9.

RULES

WDF rules apply in singles event.

The organizers reserve the right to alter the schedule and playing format.

Players and markers will not be called in.

Please make sure that:

- you check the playing schedule posted on the board you are playing on to see where and when you have to play your next game;
- the winner must write on the schedule the result of the game;

MARKERS

- the player who LOST the match must remain at the board to mark the next match.
- for the 1st round matches, the player that is the last on every board sheet must mark the first match. Exception: in the groups where a seeded player is the last name, the marker for the first match will be his opponent. If he has a bye, the second name of the previous match will keep the score.
- there will be stickers for persons that want to be a marker for 40 Ron (aprox 9 eur/pounds). If you don't know to calculate or you don't want to be a marker find a person with the sticker " MARKER for 40 RON".
- If the marker is not at the board at the official time of the next match and the organizers called him 2 times, that player is eliminated from the next day tournament and the next edition.

Players not present at the prize award ceremony forfeit the right to receive their trophy and prize money.

Players are expected to dress appropriately, meaning no jeans or denim type trousers on stage.

Smoking, drinking and eating are not allowed in the playing area, after second warning the player will be removed from the tournament.

Every player is allowed to throw 9 practice darts before the start of the game.

All questions concerning score checks have to be made before the player throws again.

Pairs tournament: player who throws first in the first leg of the game will throw first in each leg of the match.

9 Darter finish prize rule: if more than one player hits the 9 darter on stage the prize money will be divided equally among the players.
